WOMEN in KYAM

1993 – 2016

Women → Only ~30 % of KYAM Members !

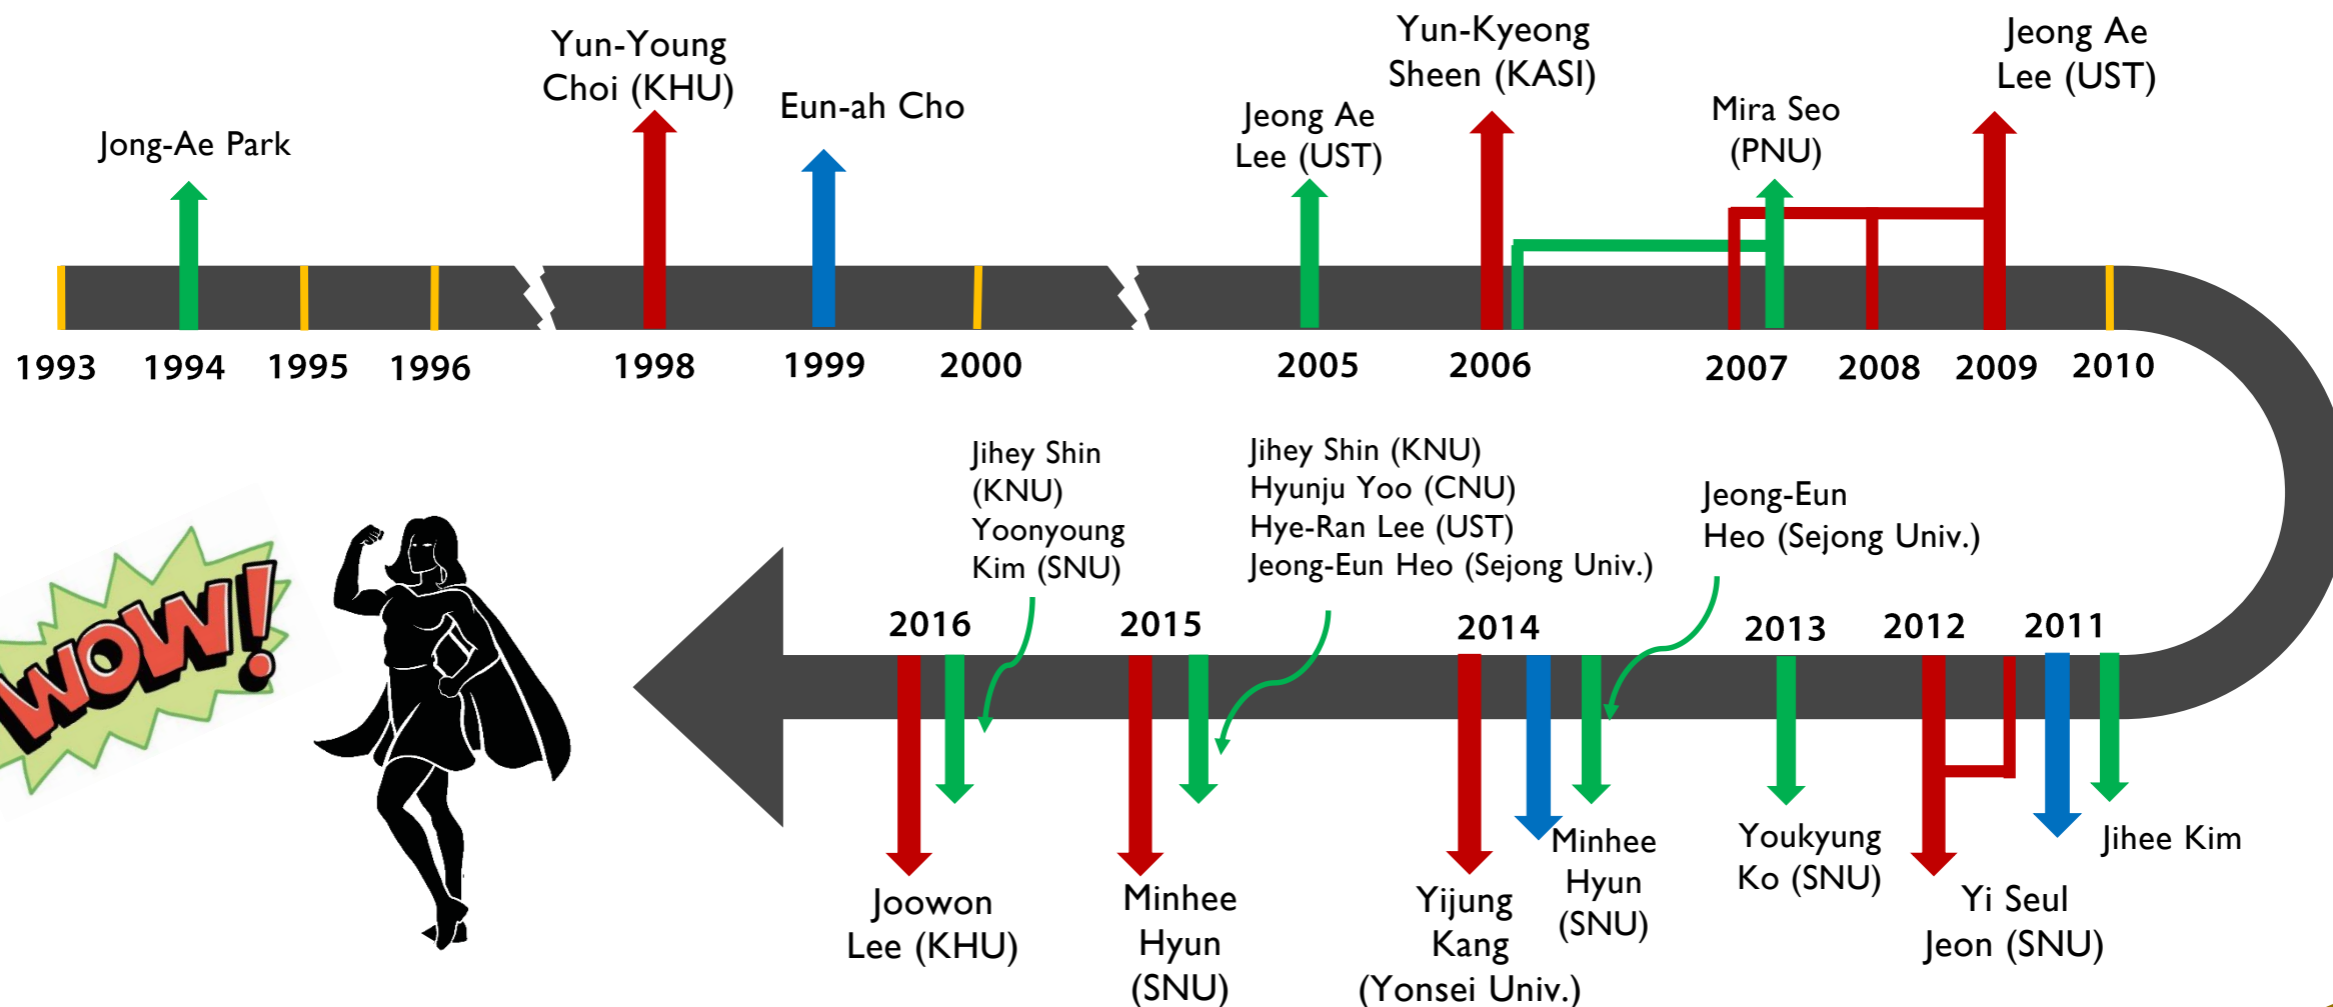

WOMEN in KYAM

1993 – 2016

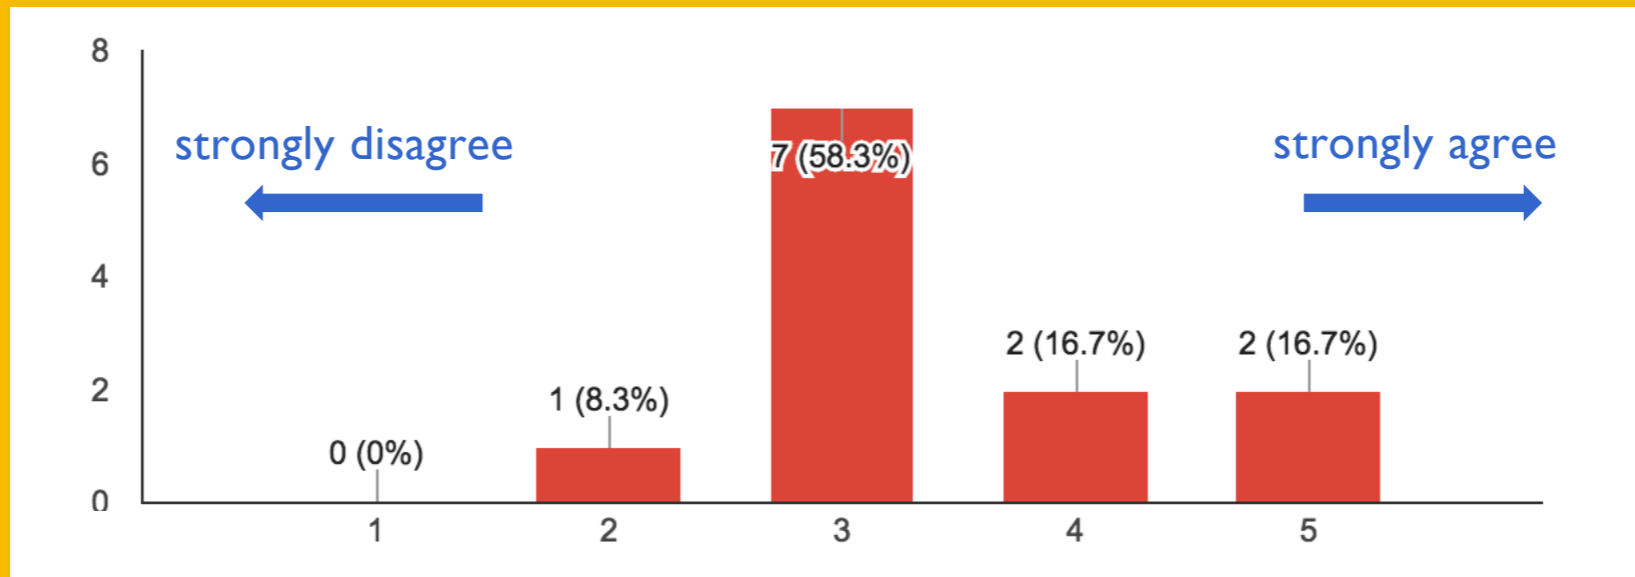

Women → Only ~30 % of KYAM Members !

The Executives of KYAM (→ Chairman → Vice-Chairman → Committee Member)

Survey

1. Do you often feel the need to have a woman astronomer society?

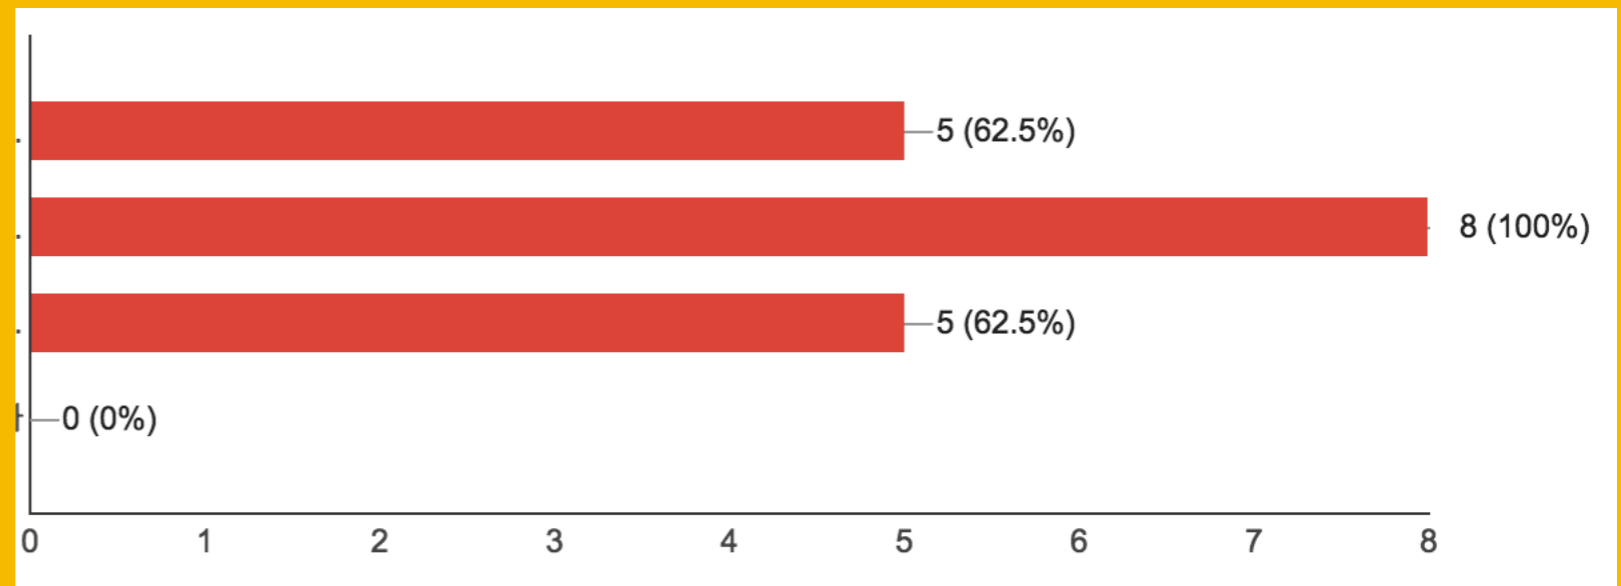

2. Why did you join a Women-In-Astronomy division?

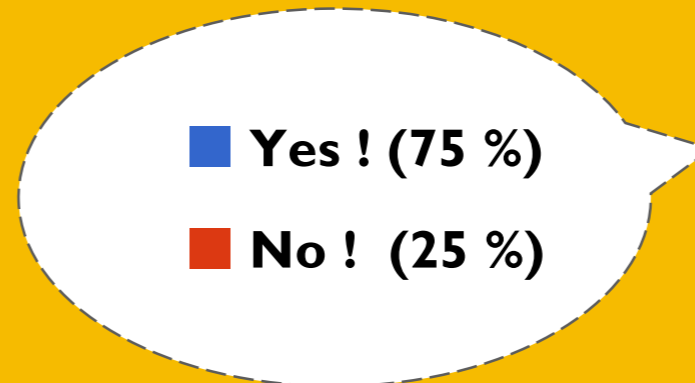

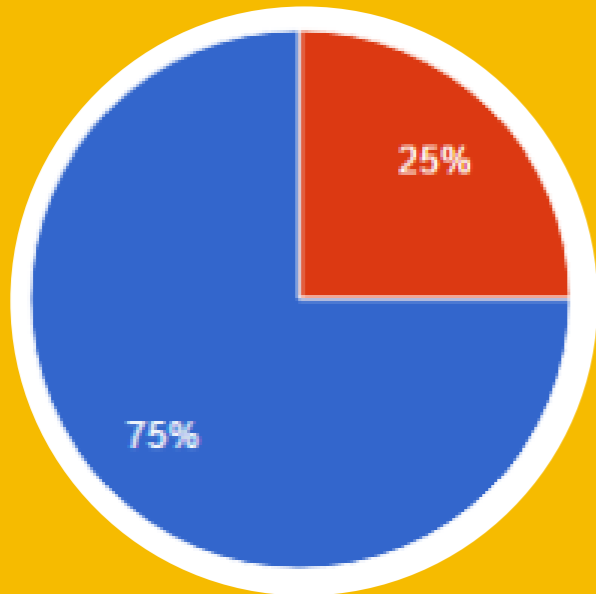

To participate in women astronomers meeting

To obtain experiences or know-how from seniors

To discuss women's issues

3. Would you like to participate if the activities were held for women members?

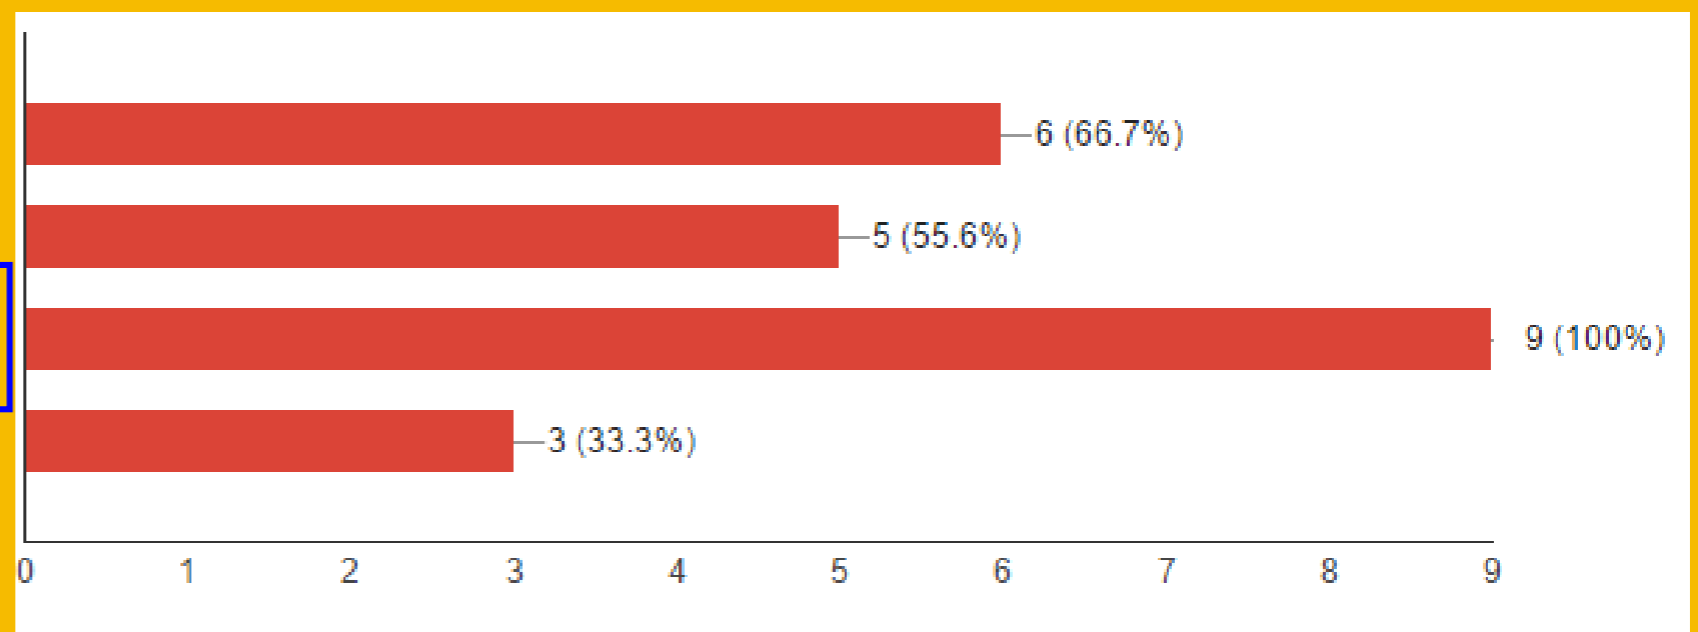

4. What kind of activities do you want to participate ?

Regular meeting for women members

Symposium for women members

Mentoring program with senior astronomers

International Symposium for women astronomers

What is your big question you want to ask ?

Research

Family Life after marriage

Thank You :D
